NOVOTEL AFFIRMS ITS COMMITMENT TO SUSTAINABLE DEVELOPMENT BY CHOOSING THE INTERNATIONAL ENVIRONMENTAL CERTIFICATION PROGRAMME EARTHCHECK.

Following consideration of the importance of environmental sustainability and a commitment to be a benefit to the local community, Novotel Century Hong Kong is committed to strive to achieve environmental and social sustainability for the Hotel.

Novotel Century Hong Kong is located in popular Wanchai, in the heart of Hong Kong Island, surrounded by small eateries, speciality shops, and authentic local markets. The Hotel operations include 511 guest rooms, two restaurants, one bar and five function rooms and two small boardrooms. In addition we provide recreational facilities include a state of the art gym, an outdoor swimming pool.

NOVOTEL CENTURY HONG KONG HAS TAKEN NOTE OF ISSUES OF SPECIFIC CONCERN IN ITS OWN OPERATIONS. THESE ARE:

- ▲ Continue green & sustainable purchases
- ▲ Engaging more stakeholders in green activities
- ▲ Involvement of more staff in Community Projects
- ▲ Renewable energy and energy conservation
- ▲ Continue to develop guest and staff awareness in environmental sustainability
- ▲ Continue reduction of wastes and recycled
- ▲ Food waste composting program

We commit to implement actions to reply to the above stakes.

NOVOTEL CENTURY COMMITS TO:

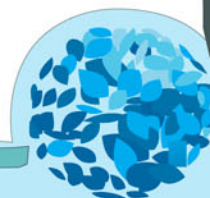

- ▲ Continually improve the environmental and social sustainability performance, and benchmarking.
- ▲ Comply with the relevant legislation, regulation and ordinances.
- ▲ Give special consideration to the employment of persons living in nearby communities.
- ▲ Give preference to products and services of local origin which do not adversely affect the organisation's operational activities.
- ▲ Prevent the pollution risks.
- ▲ Implement and regularly update its Environmental Management System.
- ▲ Appoint a "EarthCheck coordinator(s)" who handle the project.
- ▲ Implement the Accor Hotels Environment Charter.

Please do not hesitate to ask us your questions, make a comment, offer ideas and suggestions, and join us in promoting sustainable development.
